The NCI Agency may even accept, at its discretion, nominations after the IFB has been issued under the condition that such late nomination will not be used as the basis to request an extension to the bid closing date.
- **10.** Requests for participation in this competition received directly from individual companies will not be considered.
- 11. Bidders will be required to declare a bid validity of six (6) months from bid closing date. Should the selection and award procedure exceed the bid closing date by more than six (6) months, companies will be requested to voluntarily extend the validity of their bids accordingly.
